As a below named inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

An Improved Electronic Interface for Use With Dual Electrode Capacitance Diaphragm Guage

the specification of which was filed on (MM/DD/YYYY) (Title of Invention)

as United States Application Number or PCT International Application Number

and was amended on (MM/DD/YYYY) (if applicable)

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by a amendment specifically referred to above.

I hereby state I do not know and do not believe that said invention, design or discovery was ever known or used in the United States of America before my invention or discovery thereof, or patented or described in any printed publication in any country before my invention or discovery or more than one year prior to this application, or in public use or on sale in the United States of America more than one year prior to this application; that said invention, design or discovery has not been patented or made the subject of an inventor's certificate issued prior to this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns; I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me which is material to the patent defined in 37 CFR 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate, or of any PCT international application which designated at least one country other than the United States of America, listed below and identified below, by checking the box, any foreign application for patent or inventor's certificate, or of any PCT international application, filing date before that of the application on which priority is claimed.
